Orin Lucksted

Keith Warner

Orin Lucksted, son of Mr. and Mrs. Melvin Lucksted and Keith Warner, have been named as Valedictorian and Salutatorian of the graduating class of the Grayling High School for 1956.

Orin has an excellent 2.75 average out of a possible 3. for his high school record. He is a fine student and has been very active in school and class programs. During his freshman year he took part in basketball and track and was a librarian. In the tenth grade he took part in football, basketball and track and served as a school host. As a junior he was on the football, basketball and track squads. He worked as a school host and librarian and was a member of the (school paper staff. This year he is senior class president, editor of the school paper, a school host, took part in the senior play and was a member of the football and basketball squads.

He plans to enter the University of Michigan this fall to take up the study of law.

Keith has the fine average of 2.36 and has been active in class and school programs. His activities in the ninth and tenth grades included football and track. During his junior year he served as class vice president, took part in the junior play and was a member of the football, track and ski squads. In his senior year he took part in football and track, the senior play and is a member of the glee club.

Other honor students in the graduating class include: Alicia Hausmann, daughter of Mr. and Mrs. (rude Hausmann; Mary Richardson, daughter of Mr. and Mrs. Carl Richardson; Robert Lovely, son of Mr. and Mrs. Richard Lovely; James Vaughn, son of Mrs. Grace Vaughn; Mary Jane Wakeley, daughter of Mr. and Mrs. Arthur Wakeley; and Hans Andrews, son of Mrs. Grace Andrews.

Sheriff Issues Stern Warning On Blasting Caps

Sheriff John A. Papendick has a stern word of warning for every boy and girl in the county. "Leave blasting caps alone. One of them can cripple or blind you."

These caps are small aluminum or copper cylinders about as big around as a lead pencil. They vary in length from one to five and one-half inches. Generally caps are bright, but dampness may dull the metal when they are exposed outdoors and it may corrode, but even then the cap is deadly dangerous.

The caps contain an extremely sensitive explosive. They are necessary to make dynamite useful in mining, quarrying and in building bridges, roads, dams and skyscrapers. Farmers use caps to drain swamps and to blast boulders.

"We're asking everyone, boys, girls, and grownups, to help our community score a perfect blasting cap safety record," the Sheriff said. "I am distributing posters showing what caps look like and the dangers that threaten children who touch or worse, play with a cap. Those in charge of the schools, playgrounds, and public libraries will do their part if they will post these on bulletin boards where boys and girls can see them."

Sheriff Papendick explained that he is pressing this safety drive at the request of the National Sheriff's Association and the Institute of Makers of Explosives.

"Persons experienced in handling caps," the sheriff said, "know how to use them with safety to themselves and others, but children are in extreme peril if they even touch a blasting cap. If youngsters find a cap they should report it immediately to me or one of my deputies."

"Users of caps," the sheriff warned, "should do their part by keeping caps and other explosives under lock and key."

PTA President's Talk At Final Meeting

Following is a text of a talk given by Grayling Parent-Teacher Association President Ed Whelan last Wednesday evening at the final meeting over which he was to preside.

"The records have been written and recorded and all that can be said or done will not alter them in the least."

The success or failure of the past year can only be measured in each individual; if you feel that something has been opened to you or that you have gained some scrap of knowledge that will make you a better parent and help to advance our children in education, religious training and to socially fit into the local picture, we have attained a certain degree of success. To put a definite value on the association that we have had with each other would be almost impossible, but, without them we would surely be much poorer.

The parents of the children in the various grades that have furnished the refreshments for the past year have been more than generous in their efforts, a special thanks to each of them for a job well done.

Teachers for some unaccountable reason are expected to do all of the things that they do, but for a change let's give them a thanks from the bottom of our hearts for the fine attendance they have shown and for the series of excellent articles they have written for the local paper.

To the Editor of the Crawford County Avalanche goes a large bouquet for the cooperation he has given us this year. If any credit is due the P. T. A. we must share equally with him.

The School Board, Mr. Bond, Mr. Stripe and the faculty of St. Mary's School have been very helpful and they too deserve our thanks.

It's impossible to thank each one who has participated in the affairs of the year, but the most important thank-you of all goes to you people who have helped us maintain the fine attendance we have had at our meetings this year. Without you nothing could have been accomplished.

The officers and committees have functioned as well organized group and I may be amiss to pick out any special one for recognition but I feel sure that all of you will agree that Wes LaGrow as Chairman of the membership committee and Julia Kroll as our scribe have done outstanding work in their departments.

We have fallen a little short of

Hardy chrysanthemums, easy to grow, hundreds of gorgeous blooms on each plant from Sept. until late frost. A riot of dazzling colors. 10 plants \$1.00. Postpaid.

the goals set a year ago, possibly we set our sights a little too high, but by the combined efforts of all of us we have maintained the high level of the Grayling P. T. A. The continued success of the P. T. A. depends on you. Your support of the newly elected officers is necessary to maintain this level. I'm sure that I can speak for all of the officers this year and say, "Thanks for the privilege of serving you."

URGENT CHEST X-RAYS

Twenty-seven thousand lives were lost to lung cancer last year about six times as many as in 1935. The American Cancer Society urges all men over 45 to have a chest x-ray twice a year to detect lung cancer in time for successful treatment. Fight cancer with a check-up and a chest x-ray.

G. O. C. News

Adult members of the Grayling Ground Observer Corps met on Wednesday, May 2 at the home of Mrs. Alice Pratt for a short business meeting prior to a surprise birthday party and stork shower. The birthday party was to honor the 70th birthday of Lloyd Jennings and the stork got his signals scrambled and honored William LaChappelle.

Both honored guests received many lovely gifts. Games were played with Ann Smith winning first prize for pinocle and Edith Long low. William LaChappelle won a set of ash trays for succeeding to a baby doll while blindfolded. Edith Long won a lovely salad bowl for tearing out the form of a baby from a tissue. The table was graced with both a birthday and a stork shower cake, plus sandwiches and coffee.

Everyone had a pleasant evening and are looking forward to a social meeting on May 16 at the Legion Hall. Wings will be presented to the new members at this meeting and a movie on plane spotting will be screened.

Guests at the party included Mrs. LaChappelle, Mrs. Alvin Moore and Mrs. Cecile Church. Alice Pratt

Realistic Approach...

In late years many a proposal has been made for taxing taxes and for establishing legal limits, well as those now existing, that government can impose on incomes. One of the most thoroughly documented of these plans was recently offered by the National Association of Manufacturers, under the title "A Tax Plan For Economic Growth." It is designed "to be the means by which existing discriminations be lessened without adverse effect on the revenue increase in tax burdens of any group."

It is impossible to do justice to so carefully prepared and reasoned a program in a short space. But the lights can be outlined. It is based, to begin with, on four principles. First, the taxing power should be used for fiscal purposes only—not for "social concepts taxation." Second, the federal tax system should be based, with all citizens, groups and communities contributing to the government's support with as exemptions or exclusions as possible. Third, taxation should not impede economic progress—that is it should not discourage or penalize saving and investment. Fourth, tax rates should be moderate at all points both businesses and individuals. Fifth and last, constitutional limitations should be imposed on the federal power to tax incomes, estates and gifts.

One section of the program deals with "tax facts tax principles." It thoroughly disposes of the idea of our present progressive system taxes the rich to the poor. For instance, the individual income tax for the 1955 fiscal year totals \$28,784,000,000. A whopping 84 per cent of that amount is produced by 20 per cent basic rate, which is applied to the low-taxable incomes. Only 16 per cent comes from the progressive elements in the tax scale, even though these rise swiftly and pass 90 per cent.

The program also holds that the present federal tax system, if continued, will retard capital formation in the future. And capital formation—which is simply term to cover the accumulation of money for investment in all the things industry needs to produce goods and services—is the source of jobs, better tools and plants and machines, and economic progress as a whole. According to the program, the labor force is expected

to grow at the rate of about 1 million people a year, and if "jobs are to be provided for the new worker, and if the national standard of living is to continue to advance a large and increasing volume of capital formation will be required in the years ahead."

The program's specific recommendations cover every phase of federal taxation and revenue. Most important is the goal of reducing both corporate and individual progressive tax rates to a top of 35 per cent. This the program states can be done without imperiling the revenues the government needs. It should be done over a five-year period. In the case of the individual income tax, there would be successive annual reductions of 16 per cent in the progressive element of each rate bracket. Personal exemptions would be maintained at the present levels.

Much more will be heard of this program as time goes on. It is based on the economic realities—as well as on theories of taxation which the great majority of economists regard as sound and as necessary to our economic progress and stability.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVALANCHE OF 23 YEARS AGO

May 11, 1933

A group of business men waited on the Board of Supervisors, at their special session Monday afternoon. Mr. T. P. Peterson was one of the representatives of the group, spoke of the injustice done to the county through the resolution passed by the Board at their previous session denying the Conservation Department the right to incarcerate offenders of the conservation laws in the county jail. He asked the Board to rescind the motion at a special session to be called at the adjournment of the meeting then convening. Fred Welsh also spoke, denouncing the fact that the resolution had been passed. He told of the sentiment of outside sportsmen, whom he had met, and hoped the Board would see fit to rescind the motion. The Board assured the committee of men representing Grayling that they had already decided that the resolution would be rescinded at a special session. This was done that same day.

Everything is all set for the opening of the golf course Sunday with the tees, fairways and greens in better shape than ever before. At the regular annual stockholders meeting held Tuesday night, the following regulations were made for 1933 dues and green fees: Dues for all members to be \$25.00, \$15.00 of which is to be used for maintenance and upkeep of course, and \$10.00 to be applied on a debt. Summer memberships to be reduced to \$25.00 for husbands and wives and members of family under eighteen years of age or any two designated unmarried members of a family. Green fees are to be reduced to 25c for 9 holes or 50c for all day, except Sundays and holidays, which are to be 50c for 9 holes and 75c for all day. Directors of the Club are F. R. Welsh, pres.; O. W. Hanson, vice pres.; Mrs.

grethe Hemmingsen, sec.; R. O. Milnes, treas.; Dr. C. R. Keyport, C. J. McNamara, H. W. Wolff, A. J. Joseph, Green committee, E. J. Olson, P. R. Welch, O. W. Hanson and R. O. Milnes. Tourist committee, George Olson, Dr. C. G. Clippert and Menno Corwin.

Camp Gingerquill, the summer home of Mr. and Mrs. Henry B. Smith of Bay City, had a gay party of fishermen on the opening week of the season with the following guests: Besides Mr. Smith there were Dave Fellow, Harlow R. Currier, Spencer Bishop, Carl Smith, Dr. Max Burnell, Ed Cummings, all of Flint; the Smiths, F. D. Johnson, Maynard Smith of Bay City; Randolph G. Adams, Ann Arbor; Hugh Seaver, Bloomfield Hills; Howard F. Smith, Detroit. Each year a trophy is awarded to the "big" fisherman the largest fish and Mr. Seaver was the lucky winner when he landed a 18 1/2-inch brook trout.

Mrs. Harold MacNeven and Mrs. W. MacNeven spent Monday in Mackinaw.

Mr. and Mrs. Dewey Palmer made a trip to Bay City Monday with a load of arbutus to sell. Mrs. Fred Lamm spent several days in Lansing last week. Mr. Lamm accompanied her back to Grayling on Monday.

Mr. and Mrs. George Granger of Lansing visited their parents over the weekend and attended the funeral of their uncle, John Corwin.

Mrs. George Sorenson and son, Thorwald, and Miss Evelyn Van Sickle of Houghton Lake left on Wednesday for Grand Rapids. Miss Van Sickle will attend the nurses graduation there.

Miss Mary Schumann left Monday for Grand Rapids, Spring Lake and Chicago. From there she will accompany her sister, Mr. and Mrs. Oscar Wilkinson on a trip south and east.

Misses Jayne Keyport, Mary Schumann, Ella Hanson, Grethe Hanson, George Schroeder, Farnum Matson, Emerson Hoell and James Miller attended the Junior hop at West Branch Friday night.

After spending the winter on his farm in Texas, Wilhelm Raee returned to Grayling for the summer Friday. Carl Johnson and T. P. Peterson accompanied Mr. Raee when he went down to Texas. These gentlemen spent some two months together in the Lone Star state.

Mr. and Mrs. Edward Gierke who have been residing in the Harry Rum house have stored their household furniture and left Monday for Detroit. They expect to remain there for a time and later visit points of interest in the southern and eastern states.

The Roscommon Eastern Star Chapter held a public installation Friday evening at which Mr. M. A. Bates was installing officer. Following the installation the retiring matron, Mrs. Racy Pearsall presented Mr. Bates with a gift in behalf of the Roscommon chapter. Those attending from Grayling were Mr. and Mrs. M. A. Bates, Mrs. Austin Scott, Mrs. J. L. Martin, Mrs. Frank Barnett, Mrs. Harry Souders, Mrs. Joseph McLeod, Miss Marie Bragg, Mrs. Fred Mutton, Mrs. B. A. Cooley, Mrs. Elmer Matson and Mrs. Carl Sorenson.

Miss Anna Nielsen and Miss Mabel Richmond of Grand Rapids were guests of Mr. and Mrs. Julius Nelson and family Sunday.

The fire department answered a call from the Grayling Laundry Wednesday at 1 in the morning. The roof of the building had caught fire but was soon extinguished.

Mrs. Carl Larson and daughters were hostesses to about 40 friends

at a miscellaneous shower Saturday evening to compliment Miss Elsie Burke. The guests spent the evening playing cards and working jig-saw puzzles. Miss Burke was the recipient of many beautiful gifts.

Sisters Mary Helen and Mary Fialls and Miss McKay and Miss Pauline Schoonover are in attendance at the graduation of nurses at Grand Rapids. Miss Helen Rollins, Miss Gertrude Kwapis, Miss Marion Goodrich, Miss Edna Hanson, and Miss Lucy Miller have finished their nursing courses and will receive their diplomas.

The Wild Swan Adventure Club, eleven young girls, met at the home of Helen Isenhauer on Wednesday evening. Retiring officers were Lois Parker, pres.; Phyllis Parker, vice-pres.; Bernice Palmer, sec.; newly elected officers are Nina Lovely, pres.; Ella Parker, vice-pres.; Phyllis Parker, sec.; Helen Isenhauer, treas. Bernice Palmer entertained the club May 8th.

A potluck luncheon at the Golf club house opened the season for the Ladies Auxiliary of the Golf club Wednesday afternoon. A good representation was present. Mrs. Fred Welsh, vice president of the Auxiliary, called the meeting to order. A very interesting letter from the president, Mrs. Olaf Michelson was read. This being the annual meeting, election of officers was held and the following were elected: Pres., Mrs. J. J. Joseph, vice-pres., Mrs. Esbern Hanson, sec., Mrs. Roy Milnes, treas., Mrs. Esbern Olson. In two weeks another potluck will be given.

Molly O'Dell and Ila Welch and

several others of Frederic attended the ball game at Lovells Sunday p. m. Frederic won the game again. That proves Frederic is on the map and in a big way.

People who have been rushing themselves to get their garden planted were not so pleased over the snowstorm May 9th. Don't forget your overcoats.

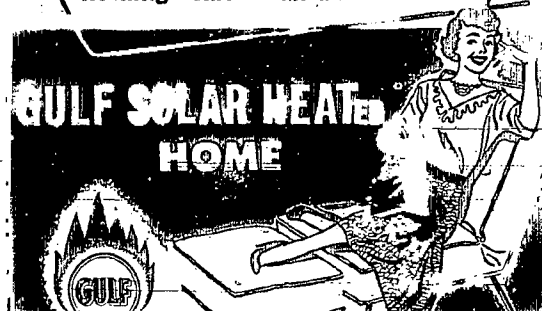

Did you see a smelt run this spring? If you did the State Department of Conservation wants to find out in what stream the run occurred and the approximate dates of the run. While smelt were first noticed in Benzie, Charlevoix and other nearby counties, the miniature fish has gradually spread around to Lake Huron and runs have been observed along the southern rim of the upper peninsula. So far no runs have been reported in streams running into Lake Superior. The Department is trying to keep records of all streams in which smelt occur. Under new regulations the Director of Conservation may open any streams to dip netting for smelt when these fish occur. A record of all smelt streams would make it possible to issue a complete list next spring to permit dip netting, it is pointed out.

It's Bigger than Boin of 'em
—but its price makes it one of
America's 3 best sellers!

It's as simple as this:

Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.

So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.

Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here — and the low price it carries.

It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.

And that means more people want it and can afford it, because it's priced only a few dollars more than its two smaller-car rivals—even less than some models of those very same cars.

But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.

Here, you get the extra wallop of big new Buick power

raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.

Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of Buick structure—the extra pride and prestige of Buick's new styling and dash.

Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo®—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.

This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

BAND NEWS
On Wednesday, May 9, the
band was to go to Gaylord for the
annual May Festival.

Some events for that day were
scheduled as follows: From 12:30
to 2:00 each band plays two in-
dividual numbers in which they
were criticized and told their
faults. At 2:30 all bands were to
march in the parade, at 3:30 until
5:00 all the bands were to prac-
tice for a mass band concert put
on at 8:15. The director was to
be Mr. Beglar from Cass Tech
High School in Detroit.

Calvary Baptist
Church News
Last Sunday being the first
Sunday of the month we observed
communion services in the morn-
ing. Worship service. There was a
large attendance for church.

Our attendance for Sunday
School was 76, there were four
new ones for Sunday School. Rev.
Johnson's morning message was
taken from Hebrews 9:11-22.

Saturday night, May 5th was
the Northland Youth Crusade
meeting. The First Baptist Church
of Grayling was host church but
because of the large crowds and
the church not being large enough
the meeting was held in the Fred-
erick High School gym. We can
shout Hurray for us of Calvary
Baptist, we won the banner with
27 points, our attendance was 39
Instead of having a speaker there
was a gospel film shown by Rev.
Doc Barns entitled "Danger Trail".
Next meeting will be at the Funda-
mental Bible Church of Houghton
Lake on June 2nd.

Last Tuesday evening our La-
dies meeting was at the home of
Mrs. Roy McEvers. Due to the ab-
sence of our president, our vice-
president, Mrs. Gladys McEvers,
was in charge of the meeting. We
made gauze bandages and did our
lesson in our lesson books. The
next meeting will be at the par-
sonage June 5th.

Christine Canfield led the
meeting for Young Peoples at
6:15 Sunday evening. The meet-
ing was entitled "Man With A
Backbone".

Our young peoples group have
been invited by the Frederick
young people to go on a hay ride
party this Friday evening. You
are to bring your own hot dogs,
buns, potato chips and lemonade.
Sunday evening worship service
was interesting and inspirational,
the message was taken from the
Books of John 9:1-15. Vicki Mc-
Evers sang a solo and Donna For-
shee played an accompaniment.

and Mrs. Arthur Howes
The Ken LaCounts formerly of
Jackson, moved into the Bud Reed
house on Saturday. They have 4
children, one of which is attend-
ing school.

Mr. and Mrs. Archie Howes
went to Jackson on Friday to help
Marvin and Gerald celebrate their
birthdays.

Mrs. Opal Hamblin and daugh-
ters Dawn and Becky were in
Traverse City on Saturday.

Mr. Alvin Plagens of Rochester
and son Roy were weekend visit-
ors. Roy returned from Germany
recently and celebrated his return
by catching his limit of trout Sat-
urday. Mr. and Mrs. Arthur Plag-
ens were here last weekend.

Mr. and Mrs. Bud Reed and
Jennie of Flushing were at Ar-
thur Howes on Wednesday and
Thursday.

Mr. Reyn Mick and son Jimmy
of Tawas City and Bill Dilts of
Ithaca were here for the opening
of trout season. They have had
some luck doing down on their
property by the Mervick Construc-
tion Company.

The Frank Seiders and daugh-
ter Fawn spent the weekend at
their cabin on Bass Lake.

Invitations have been received
for the wedding of Bruce Babbitt
and Rosemary Wiltzer at Ferndale
on May 12th.

Measles are prevalent in our
part of the county. Some of the
victims are Wayne Winston, Kay
and Kenny Branstetter, Kay and
Lorelei Schmidt, Penny Jo and
Billy Lozen.

A very small crowd attended
"May Day" at the Town Hall on
Saturday. Due to the cold weather
not much planting could be done.
However, several of the men turn-
ed out to rake and clean the yard.

Mr. Ben Porter the County Agri-
cultural Agent and his family
were present. Pot luck supper was
held at 5 o'clock. Ice cream fur-
nished by the Township was en-
joyed throughout the evening.

Mr. and Mrs. Ed Smith of Mt.
Pleasant came on Saturday night
to spend the weekend with the Ed
Feldhusen's and also to attend
the baptism of baby Laura Ann
Feldhusen, for which they acted
as God-parents on Sunday.

Mr. and Mrs. Frank Weaver and
Mr. and Mrs. Cliff Beck went to
Gleam for a few days to see Mr.
Beck's father who has been ill.

Mr. and Mrs. Jack Armstrong
are spending a few days at their
home here.

Some fishing stories and lies
were heard last week end — a
druggist from Pontiac going into a
Grayling hardware store, asking
for cow bells. They told him cow
bells went out when fences came
in so he finds a bell some where
and tried it out on Bear Lake
"East Side" and it scared all the
trout over to the west side where
our Ohio friends, Evert Winthgen-
ton and friends were fishing with
the latest lure, from Germany
called a Vido-Doo. They caught
four 14 to 18 inches long. We
just came in from mushrooming,
just found one, still too cold.

Three bowling teams from
Frederick, Cadillac from
Grayling and Dingmans from
Bear Lake gave Marvel Houghton
a stork shower here. She received
some very nice presents.

Mrs. Doris Roy and her sister
Mrs. Jo Watters are spending a
week here at their cabin. They
are out a week due to Doris

Bear Lake News
By M. D., the Roving Reporter

Mr. and Mrs. Wilbur Kieckner
and family from Kalamazoo made
their first trip up. They are build-
ing on "Big Twin Lake".

The Coatsworths and Hennings
from Grayling were out. Grace
needs new glasses when she can't
tell a six letter word from a three
part thinks she just is "sight see-
ing".

The Furtneys from Pontiac are
here again and we were happy to
meet his father and mother this
time.

Another nice party was on Bar-
bara Hiri for her birthday. Barb
says thank every one.

The Harold Shucks are up too.
New news from Newman's Cor-
ners by Jean — short but good. A
new family up laying plans for a
new cabin are the Florian Shep-
ards from Pt. Huron.

WOMEN'S RIFLE CLUB NEWS
The Women's Rifle Club meets
each Monday evening at 7 o'clock
in the Frederick Town Hall. Our
manager, Charlie, is a very in-
teresting person and is always
ways on hand to help and arrang-
es competitive matches for the
women. Harold Mertes is our in-
structor and is helpful to all the
members; especially to those who
as beginners, need additional help
just learning to shoot a rifle or
becoming more proficient would
be welcomed into the group.

Whether you have ever handled
a gun or not will not drop in some
Monday evening or contact our
captain, Dorothy Mertes, for fur-
ther details. Due to the final P.
T. A. meeting of this term there
will be no club meeting on Mon-
day, May 14.

On Tuesday, May 2, the Wom-
en's Team competed with the Boy
Scouts first rifle team. The boys
topped the women with a score of
349 to 330. The prize for the
evening was a party to be given
by the losing team in the near
future. Win or lose — everyone
had fun. The highest scorers of
the evening were Dorothy Mertes
and Bill Johnson who matched
skills after the team competition
with Dorothy being the winner.

Mr. and Mrs. Pat Hinkle of
Jackson called on his brothers,
Cleo and family of Gaylord and
Bernard and family of Frederick.
The Guy Kellogg family have
moved from Saginaw to Kingsley.
Mr. and Mrs. Ace Lem then spent
Sunday with the Guy Kelloggs.

Mr. and Mrs. J. C. Mason are
visiting in the southern part of
the state.

Mr. and Mrs. Harry Horton,
Mrs. A. Smock and Mrs. Jennie
Evans were in Traverse City on
Monday.

Clair Melroy is erecting a new
garage on his property in the
north end of town. Mrs. Lulu
Flagg is on the sick
list.

Dr. Henig made a professional
call in Lovells Saturday, calling
on Mrs. Douglas.

Mr. W. A. Sack of St. Charles,
Mich., passed away at his home
May 12. He was the uncle of
Marvin Munrow, who was former-
ly a Lovells resident.

The Cheerful Givers Club will
meet at their club room Thursday
evening, May 17th, for their regu-
lar "sing".

Mr. and Mrs. Bill Welsh of Gar-
den City visited Mrs. Welsh's
mother, Mrs. Edith Payne, Satur-
day.

Northland Young Crusaders
met Saturday night in the Fred-
erick High School gym. About 108
were present from four churches.
Grayling Calvary Baptist Church
won the banner, the film "Dange-
r Trail" by Bill Rice was very well
liked and was shown by Rev.
Floyd Barnes of Good Hart.
The next meeting will be June 2
in Houghton Lake. Everyone wel-
come to attend.

came home last weekend. Mrs.
Cram will remain home for the
summer.

Brownie Scout News
— Brownie Scouts met at the lead-
er's home. All stood and sang
prayer and then had the Lord's
Prayer together. Roll call was
formed in two lines and answered
by naming flowers of spring. We
then acted out Peas Porage Hot
Seven, girls colored and cut out
baskets of flowers for Mother. The
rest of the afternoon was spent in
games which will be made in-
to corsages for surprises. Lunch
was served by Linda Weaver and
Linda Hopkins. All girls lined
up and had a package of flower
seeds pinned on them which they
can make a flower garden. We
send greetings to all our girls who
have the measles. Hope to see
you soon.

manner for the fact that the wind was blowing a gale from the eastward, the fire was blown from the refuse pit and ignited a pile of wood in the yard of C. A. Olson east of Charles Douglas' house.

Attorney Frank G. Walton of Bay City will remove his family to Grayling where he will continue the practice of law. He will build a residence toward the east end of Michigan Avenue.

Mr. and Mrs. A. E. Newman expect to leave next week en route for the new home which they expect to establish on the Pacific coast, probably in California.

Supervisor Houghton proceeded to the west part of Lovell township Tuesday. Ed intends to look up all of the back forties as well as the front ones and place them on the tax roll.

Harry Jones walks with wood on his legs. Now on account of a sprained knee. So much for Sunday ball playing.

The forest fire raging so near George Belmore, Wash. Stewart Wilford, Ralph Hanna and Will Moon had hard work to save their buildings in Beaver Creek Monday afternoon.

School Given Small Steam Engine
Wesley Kumpula, Grayling high school instructor, reports that the school now has a miniature steam engine that really works. With a group of pulleys and belts, the little engine actually operates a tiny grinder, drill press and band saw.
The engine and other little machines were a gift to the school of Mr. and Mrs. Jack Mason, Kumpula said. The steam engine is complete with a small boiler, safety valve, governors, flywheel, whistle and is heated by a small alcohol burner. The miniature outfit will be useful in the teaching of all science classes as well as the shop class, Kumpula said. The school wishes to express their thanks to the Masons for this wonderful little gift.

School Health Program
WHAT WE TEACH AND HOW WE DO IT
y advising the parents to have their children immunized against communicable diseases. The teacher can be of a great deal of value in this phase of communicable disease control by stressing its importance in health education classes. By having the child have a pre-school examination a number of defects have been found and corrected by this type of program. In our school where a full time registered nurse is employed, daily inspections are made on all children from kindergarten through Sixth Grade. If any symptoms are detected the child can be screened out, and inspected more carefully in her office and excluded from school if necessary.
The Nutritional Service Films are shown on foods, health posters are discussed, such as "The Basic Seven", "Designs for Better Living", etc. In our school we also have the hot lunch program which is very important in teaching nutrition, by well balanced diets being served.
Mrs. Helen Corwin, school nurse of the Grayling School is pictured above at her desk in the nurse's room at Grayling High School.
